

IIMA PRESS RELEASE 2010-11

Book release: Midwifery and Maternal Health in India

IIMA, May 3, 2010: The Center for Management of Health Services (CMHS) at the Indian Institute of Management, Ahmedabad (IIMA) has published a book “**Midwifery and Maternal Health: Situation Analysis and Lessons from the Field**” under a project supported by Swedish International Development Cooperation Agency (SIDA).

Honorable Minister of Health, Government of Gujarat, Shri Jay Narayan Vyas would release the book on May 05, 2010 at 5.30 p.m. at IIMA Campus on the occasion of the International Midwifery Day. The book focuses for key articles on midwifery and Emergency Obstetric Care, history and current situation of midwifery, expanded role of midwives, maternal health situation and innovations in improving maternal health.

The event to be inaugurated by Prof. Samir K. Barua, Director, IIMA would be attended by Senior Health Officials from the Government of Gujarat, Key persons in Health & Midwifery Background from across the Gujarat, and NGOs from Ahmedabad.
