

IIMA PRESS RELEASE 2010-11

IIMA's Fifth batch of PGPX inaugurated

IIMA, April 12, 2010: Professor BH Jajoo, Dean of Indian Institute of Management, Ahmedabad (IIMA) inaugurated the Fifth batch of One Year Post-Graduate Programme in Management for Executives (PGPX 2010-11) Today at IIMA Campus. A large number of the IIMA faculty members attended the inauguration.

The students were also briefed about the programme structure and about various courses offered by different Areas during extended inaugural session.

Eighty-six students have joined PGPX 2010-11 batch from a large application pool and after elaborate selection process. The batch has an impressive profile with average GMAT score of 712, average age of around 34 years, average total work experience of 10 years and average international work experience of above 4 years. The students are from various industries such as Financial Services, Telecom, IT, Manufacturing, Healthcare and public sector. This profile compares very well with the profile of students of similar programmes offered by the best schools around the world.
