

## **Indian Technical and Economic Cooperation (ITEC) Scholarship Programme**

The PGPX Programme is now listed in the Govt. of India's 'Indian Technical and Economic Cooperation' (ITEC) Scholarship Programme under which international candidates from 141 countries with whom we have ITEC partnership would be eligible for full scholarship from the Ministry of External Affairs (MEA), Govt. of India. The details are given on their website <http://www.itec.mea.gov.in/?999001> (Please see page 34 - Course number 15 under 'Management Courses Section'). Please also find attached the list of the ITEC Partnership countries available at <http://www.itec.mea.gov.in/?0510>

As per the details mentioned on the ITEC website, international students who qualify and are admitted to the PGPX Programme (as per IIMA's admission criteria) would be eligible for a return air-fare, full programme fee (which includes tuition, materials and books, boarding and lodging, fees towards international immersion programme in an international university, and facilities such as computers, library, etc.,) monthly subsistence allowance, a stationery allowance and allowance for traveling in India. (Know more at <http://www.itec.mea.gov.in/?8600>).

The interested candidate will have to first apply for the PGPX programme and get admitted. Simultaneously he/she will have to apply for the ITEC Scholarship through the Indian Embassy/Consular Office in his/her country. (List and addresses of Indian Embassies given at <http://www.itec.mea.gov.in/?0510>)

Please note that the information on the website currently mentions the 2013-14 programme (which has already commenced.). We are in consultation with the MEA for the listing of the 2014-15 batch for which applications close on 10th Aug 2013. We are hopeful that the MEA will consider all applications for 2014-15 batch and will put up the information once the details for 2014-15 year are announced.
